- Participants will get the copy of the publication in the inaugural session of the seminar.

Aim of the seminar

The present seminar is aimed to bring together the eminent scientists, academicians, faculty members, environmentalists, policy makers, non-government organizations, etc on a common ground to discuss the issues prevalent in environment, factors associated with them and the conservative measures for achieving sustainable development and increasing the economy of the state with available natural resources. It is also set to achieve integrated knowledge across different perspectives and implementation of these ideas to solve the burning issues of today's environment with a sustainable approach so that environment can be preserved for future generations also. As young minds have the capability of shaping their home, state and nation, so efforts are needed to provide them exposure and widen their capabilities. This seminar will serve the purpose. It will suffice the much needed personality development experience to such students. Moreover, the conference is also targeted to provide certain solutions to farmers, nearby villagers and rural gentry coming in the form of audience to improve their livelihood, working strategies and their contribution for the sustainable development of nation.

About the location

Unnao, also known as land of pen and sword is an historical city with many historical buildings and structures. Unnao district is a part of Central Ganges Plain of the state covering an area of 4558 square kms. Nawabganj bird sanctuary located along NH27 has been included in the list of RAMSAR sites. Unnao is famous for Pariyar where Goddess Sita gave birth to Luv and Kush and also, the famous Ashv from the Ashwa megh Yagya was caught and tied by them.

Bangarmau is a tehsil and a municipal board in Unnao district, located on high ground overlooking the left bank of the Kalyani river about 50 km northwest of Unnao. It is central venue for local agricultural trade, serving as main market for nearby villages. Presence of an ancient temple named Baba Bodheshwar & Rajrajeshwari Temple makes bangarmau a renowned pilgrim centre recognized by UP tourism department. Besides, in 2009 Archaeological Survey of India unearthed a 2000 years old Shiva temple at Sanchan Kot.

How to reach to the college

Delegates can reach the college campus by any mode of transport. The college is located on Unnao-Hardoi road SH38 and roads fan out in all the directions from the town.

One can easily reach Bangarmau from Lucknow using Agra-Lucknow expressway which is at a distance of about 5.0 Kms from the college campus.

Nearest Airport - Lucknow Nearest Railway Station & Bus Station - Bangarmau Distance from Lucknow - 85 kms Distance from Hardoi - 65 Kms Distance from Unnao - 50 Kms - 65 Kms Distance from Kanpur
